MAKING UP AND FINISH

Copy flower motif on tissue paper and trace it on the Aida fabric; tack the Aida fabric at 6 (8) cm from the bottom left-hand corner of the first part. Work in chain stitch needlework following the drawing.

Sew up the starting side of the first part to the edge of the second part for a length of 44 (46) cm. Trim all the edges as follows:

Rows 1 and 2: in dc; end this row and next rows with 1 sc in the starting st.

Row 3: * 1 dc, 5 chs, skip 3 sts *, rep. from * to *.

Break off and bind the yarn.

With crochet hook work a chain of 200 cm and braid it into the arches of the button edges. Trim all the bottom edges with the fringes as follows: cut 50 cm strands making groups of 3, double over and, using the crochet hook, knot them to the arches of the trim (1 fringe in every arch); work a second row of knots, at 1.5 cm from the prev., taking up 3 threads from one fringe and 3 threads from the adjacent fringe.
