### MAKE UP AND FINISH

Trim the bottom of the top with the Fusione yarn working 1 row in dc. and 1 row as follows: 1 dc. in the st. below, 4 chs. skip 2 sts., \* 1 dc. in the next st., 4 chs. skip 2 st. \*, rep. from \* to \* over the whole row. and end with 1 sc. in the first st. of the row. Break off and bind the yarn. Trim the back neckline, the armholes and the upper border of the front with the Fusione yarn working 2 rows as indicated for the trim of the bottom. To work the string to knot to the collar, hook the Cheope yarn behind the right corner of the upper border of the front, in the dc. of the first row of the trim, and work 1 sc., 80 chs. Break off the yarn and make a knot at the end of the chain. Work another string on the left corner of the upper border of the front. With the Cheope yarn cast on a 1.1100 cm. chain 1.110 (we recommend that you start the chain and braid it in by hand, every 20-30 cm, as indicated in order to obtain the exact length of the chain) then braid it into the stitches of the net stitch of the last 11 rows and 12 rows of the top: fit the beg. of the chain to the st. of one side of row 11, pass it into the sts. of the row then, at the end of the row join it with a small stitch to the beg. of the ch., go to the upper row and cont. without fixing the chain at the end of the row but passing straight to upper row. At the end, join the end of the chain with small invisible stitches. With the Cheope yarn cast on a 190 cm. chain and braid it into the stitches of row 10 of the top, beginning and ending from the centre the front, leaving the two ends free for the same length.
