## MAKE UP AND FINISH

Sew up the shoulders and sides. Join the 2 strips of the collar and fix them along the front and back necklines starting and ending at the front centre where, to shape the tip, fold and sew up the edges diagonally. Cast off and join the sleeves. Fold the lower band, wrong side against wrong side, along the length and sew it over the front and back bottom edge starting from the left side leaving the extra lengths free; sew up the extra edges. Join the pockets on the front, immediately above the lower band, centring the width, and spacing them by 13 (14-15) cm; turn the ribbed borders outwards.
