MAKE UP AND FINISH

Help yourself by following the model and tack before sewing in the final seams. Sew a long edge as follows: fold the rectangle worked (= 80x63 cm.), fold back the 80 cm. strip for a length of 50 cm. (= 20 cm. to shape the armhole, 10 cm. for the shoulder, 20 cm. to shape the collar). Sew up the 10 cm of the shoulder. Work the other strip in the same way. Sew up the extra 20 cm of the 2 strips (= collar). This automatically produces the space for the armholes.
