Sew up one shoulder. Pick up le sts. evenly around the back and front necklines and work in elastic rib for 1.5 cm.; bind the stitches with the tapestry needle. Sew up the other shoulder and the sides of the border of the neckline. Sew up the sides at the bottom, fitting the hems together and rotating the bottom section of the front once from left to right; in this way, both the upper and bottom sections of the front will be in knit stitch. Sew the upper section of the sides, fitting together the armholes. Bind off and join the sleeves.
